## Suit Against Jones' Estate

LOS ANGELES — Five children of a couple killed in the Peoples Temple mass suicide-murder have filed a $10 million wrongful death lawsuit against the estate of Rev. Jim Jones and surviving members of the cult.

The suit also names attorney Mark Lane as a defendant.

Meanwhile, the New Jersey Board of Mortuary Science ruled yesterday that the bodies of 29 Peoples Temple victims had been illegally cremated in New Jersey. It then revised its regulations to allow Delaware undertakers to bypass the rule that they had been accused of violating.
